SKILLS

- **Languages:** C++, Python, C, JavaScript
- **Frameworks:** HTML, CSS, JavaScript
- **Tools/Platforms:** MySQL, Git, GitHub, Arduino
- **Soft Skills:** Problem-Solving Skills, Teamwork, Project Management, Adaptability

PROJECTS

• **Movie Ticket Booking System: Academic Project**

- Developed a Movie Ticket Booking System as a class 12 academic coding project.
- Implemented movie selection, ticket booking and customer details management.
- Used MySQL for storing and managing movie and booking data.
- Tech: Python and MySQL

• **Fingerprint Based Door Lock System**

- Developed an Arduino-based door lock system using fingerprint authentication.
- Integrated a fingerprint sensor with Arduino UNO for user verification.
- Programmed the system to unlock the door for registered fingerprints.
- Tech: Arduino UNO, C++, Fingerprint Sensor

CERTIFICATES

- Infosys Springboard - Python Programming Certification
- Infosys Springboard - Data Science and Big Data Certification
- Coursera - C Programming Language Certification

ACHIEVEMENTS

- Completed approximately 11 hours of Python tutorial content through YouTube as part of a Community Development Programme.
- Successfully completed multiple technical learning programs in Python, Data Science and C programming.
- Developed multiple academic projects, including a Movie Ticket Booking System and a Fingerprint-Based Door Lock System.
- Participated in project-based and technical learning activities during the first year of B.Tech CSE.

EDUCATION

- **Lovely Professional University**
*Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.96***
Punjab, India
Since August 2025
- **Tinsukia English Academy**
*Intermediate; **Percentage: 67%***
, Tinsukia, Assam
April 2023 - March 2025
- **Lotus Academy**
*Matriculation; **Percentage: 79.8%***
Doomdooma, Assam
April 2021 - March 2023
